Trustees and you

The Advocacy Project Needs You

All Charities have Trustees

Trustees make sure the Charity does what it says it will

They meet 4 times every Year

Board Meeting

The meeting is called a Board Meeting

The Chair of our Trustees is a lady called Kate Ferguson

At the Board Meeting they will talk about The Advocacy Project's Work

They will make sure we have enough money to do our work

They will ask Judith what her team are doing to make sure the work is done well

They will think of new ideas to make The Advocacy Project better

They will think of new ideas of how we can help more people

We want people we work with to be Trustees

You can phone Judith on 020 8968 2603, she can help you know more about being a Trustee
