The
Advocacy
Project

Quality checked by people with learning disabilities

User Involvement makes sure:

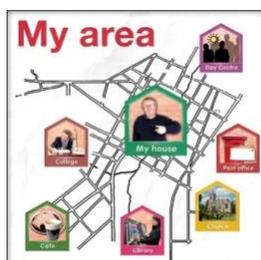

1. You can speak up about
The services you use

2. Your voice is heard by the
people who make
decisions.

Where do we run User Involvement projects?

We run User involvement
projects for people with
learning disabilities in
Westminster, Kensington and
Chelsea, and Brent.

How can you speak up?

There are different ways you can speak up and tell us what you think about the services you use.

You can get involved in a speaking up group.

You can become a rep.
